

Attendance Policy

Effective Date: January 1, 2024 | Version: 1.0 | HR Department

DISCLAIMER: This is a sample/demo HR policy document for testing purposes only. Not a real company policy.

1. Purpose

This Attendance Policy establishes standards for employee attendance, punctuality, and absence management at ACME Corporation. Consistent attendance is essential for maintaining operational efficiency and meeting business objectives.

2. Standard Working Hours

The standard working hours for all full-time employees are 9:00 AM to 6:00 PM, Monday through Friday, with a one-hour lunch break from 1:00 PM to 2:00 PM. Total paid working hours are 8 hours per day, 40 hours per week.

Employees in shift-based roles will follow their designated shift schedule as communicated by their department head.

3. Punctuality Requirements

Employees are expected to be present and ready to work at their workstation by 9:00 AM. A grace period of 10 minutes is allowed.

Arriving between 9:11 AM and 9:30 AM constitutes a late arrival and will be recorded.

Arriving after 9:30 AM constitutes a half-day absence for attendance purposes.

Three recorded late arrivals in a calendar month will result in one day of LWP (Leave Without Pay).

Repeated late arrivals (more than 5 in a quarter) may trigger a formal performance discussion.

4. Absence Reporting Procedure

If an employee is unable to attend work, they must notify their direct manager by phone or messaging application before 9:00 AM on the day of absence, follow up with a formal leave application in the HR portal within 24 hours, and provide a medical certificate for absences exceeding 2 consecutive working days.

Failure to report an absence without prior authorization is classified as Absence Without Leave (AWOL) and may result in disciplinary action.

5. Attendance Tracking

Attendance is tracked through the biometric attendance system installed at all entry points. Employees must swipe in and out each day. Remote and WFH employees must log attendance through the HR portal by 9:30 AM.

Monthly attendance reports are generated by the HR system on the 1st of each month.

Discrepancies in attendance records must be reported to HR within 3 working days of the month-end.

6. Habitual Absenteeism

An employee is considered habitually absent if they are absent for more than 6 days in a quarter without approved leave, or if their pattern of absence raises concern.

First occurrence: Verbal counselling by the line manager.

Second occurrence: Written warning issued by HR.

Third occurrence: Formal disciplinary proceedings in accordance with the Employee Conduct Policy.

7. Early Departure

Employees wishing to leave before 6:00 PM must obtain prior approval from their manager. Early departure without approval for more than 30 minutes constitutes a half-day absence.

8. Overtime and Compensatory Off

Overtime work beyond standard hours must be pre-approved by the department head. Employees who work overtime will receive compensatory leave (comp-off) at a 1:1 ratio, to be utilised within 60 days. Overtime pay in lieu of comp-off requires VP-level approval.
