DISCLAIMER: This is a sample/demo HR policy document for testing purposes only. Not a real company policy.

1. Purpose

This policy outlines the types of leave available to ACME Corporation employees, the entitlements for each leave type, and the procedures for applying and approving leave. This policy applies to all full-time, part-time, and contract employees unless stated otherwise.

2. Annual Leave (Vacation Leave)

All full-time employees are entitled to 20 working days of annual leave per calendar year. Part-time employees receive annual leave on a pro-rata basis calculated against a 40-hour full-time week.

New employees are eligible for annual leave after completing 3 months of continuous employment.

Annual leave accrues at a rate of 1.67 days per month of service.

Unused annual leave of up to 10 days may be carried over to the next calendar year. Any balance exceeding 10 days will lapse on December 31st.

Employees wishing to encash unused leave must submit a request to HR by November 30th. A maximum of 5 days may be encashed per calendar year.

Annual leave must be applied at least 5 working days in advance through the HR portal.

The direct manager must approve leave requests within 2 working days of submission.

3. Sick Leave

Full-time employees are entitled to 12 days of paid sick leave per calendar year. Sick leave does not accrue and unused sick leave cannot be carried over or encashed.

For absences of 1-2 days, employees must notify their manager by 9:00 AM on the first day of absence.

For absences exceeding 2 consecutive days, a medical certificate from a registered medical practitioner must be submitted.

Employees who exhaust their sick leave entitlement may apply for unpaid leave with managerial approval.

Repeated or patterned sick leave usage may be subject to a formal attendance review.

4. Maternity and Paternity Leave

Eligible female employees are entitled to 26 weeks of paid maternity leave for the first two live births. The leave may commence 8 weeks before the expected date of delivery.

Male employees are entitled to 5 working days of paid paternity leave within 30 days of the birth of a child.

Employees must notify HR at least 12 weeks before the expected start of maternity leave.

Supporting documentation (expected delivery date from a registered doctor) must be submitted to HR.

5. Compassionate Leave

Employees are entitled to 3 days of paid compassionate leave in the event of the death of an immediate family member (spouse, parent, child, or sibling).

Proof of relationship and death certificate may be requested by HR.

Additional unpaid leave may be granted at managerial discretion.

6. Public Holidays

Employees are entitled to all gazetted public holidays as declared by the Government of India. Where an employee is required to work on a public holiday, compensatory leave will be granted.

7. Leave Without Pay (LWP)

Employees who have exhausted their entitled leave and require additional time off may apply for LWP. LWP is granted at the discretion of the department head and HR and will result in a salary deduction for the period of absence.

8. Leave Application Process

All leave requests must be submitted through the HR self-service portal at least 5 working days in advance.

Emergency leave may be communicated verbally and followed up in the system within 24 hours.

Managers must not unreasonably withhold approval of leave requests.

Employees must hand over responsibilities before proceeding on leave of 5 or more days.

9. Policy Review

This policy will be reviewed annually by the HR Department. Any amendments will be communicated to all employees via the intranet and HR portal.
